New awards for Banca del Sempione!

Base Investments Sicav - Flexible Low Risk Exposure subfund awarded as the best fund in its category in the last 3 years according to LSEG Lipper and winner of Premio ALto Rendimento promoted by Il Sole 24 ORE.

We are pleased to announce that Base Investments Sicav - Flexible Low Risk Exposure subfund, promoted and managed by Banca del Sempione SA, has received three important awards: the LSEG Lipper Fund Award in Europe and Switzerland, ranking as the best fund in the Mixed Asset EUR Cons – Global category over a 3-year period, and the Premio Alto Rendimento promoted by Gruppo 24 ORE, as the best fund in the Mixed Bond category.

These awards demonstrate the quality and value of Banca del Sempione's management models, confirming our commitment to excellence and representing a source of pride for our bank and for the Ticino financial center.

Hereafter the words of Pietro Scibona, Head of the Finance and Deputy General Manager:

"The main objective of Banca del Sempione SA is to offer its customers products that create value over time. We are therefore particularly proud of the recent awards, which encourage us to continue with commitment and dedication on this path. Thanks in particular to the investment manager Giorgio Bertoli for the brilliant results achieved in recent years."
